Notice Regarding the Impact of the 2026 Kumamoto Earthquake (Second Report)

Izumi Co., Ltd. (the "Company") would like to express its heartfelt sympathies to all those affected by the series of earthquakes that have occurred mainly in the Kumamoto Region of Kumamoto Prefecture since July 28, 2026. The Company hereby announces the current status of damage to the Company Group and other related matters as follows.

1. Status of Damage Caused by the Earthquake

   (1) Damage to Personnel

   More than a dozen employees of the Company Group have been injured; however, none of the injuries are life-threatening.

   (2) Status of Store Operations

   In Kumamoto Prefecture, the Company operates a total of 35 stores, consisting of five Youme Town shopping centers, 27 Youme Mart supermarkets, and three SUNNY supermarkets. Some of these stores have sustained damage to their exterior and interior facilities.

   The operating status of these stores as of 1:00 p.m. on July 30, 2026, is as follows:
   Partially operational: 19 stores (including shortened business hours and limited sales floor operations)
   Temporarily closed: 16 stores

   For stores that are temporarily closed, the Company is conducting safety inspections and restoration work and is taking necessary measures to resume operations as soon as possible.
   We sincerely apologize for any inconvenience and concern caused to our customers due to temporary store closures, changes in business hours, and other operational disruptions.

Updates on the operating status of each store will be provided on the Company’s website as they become available (available in Japanese only): https://www.izumi.jp/

2. Impact on Financial Results

The impact of this earthquake on the Company's financial results is currently being assessed. The Company will promptly disclose any material developments requiring timely disclosure.
